

Rhythm Band 2009-2010 August 21 Meet & Greet

Learning is like the Horizon; there is no limit. –Chinese Proverb

Lesson Behavior

Classroom rules are clearly posted, will be explained during our first class the week of September 29th and all students are expected to follow class rules. Small group lessons meet once each week (beginning the week of September 29th) and will be interactive student/teacher learning and move at a pace appropriate for the students.

Practice Expectations

Parents can help students learn the names of the lines & spaces, and the rhythm note names and corresponding values. Occasionally, worksheets will be sent home for students to practice at home. Rhythm Band plays the orchestral bells in class, and unfortunately we do not own enough for each student to take one home. However, I have created a ‘virtual keyboard’ on regular paper...

Quality is more important than Quantity

Concerts & Uniform

December 15th 2:00 pm only *May 13th* 2:00 pm only
Red performance polo, jeans, shoes

Communication

Email is the fastest and most efficient way for me to communicate during the week. If necessary, I will also make notes in the Tuesday Folder. Thanks so much for helping us stay in good communication with each other!

Supplies

Your student will be given a black binder to use at Parker. It would be helpful for them to have a Rhythm Band folder at home so all papers can be kept together.
